

MOUNTAIN COMPREHENSIVE HEALTH CORPORATION

Clinic Administrator

Mountain Comprehensive Health Corporation (MCHC) has an opening for a Clinic Administrator for the Whitesburg Medical/Dental Clinic. The successful candidate will have direct responsibility for carrying-out daily health center operations, including the general direction of the clinic administrative and ancillary support staff.

The position requires completion of an undergraduate degree in Business Administration, Health Administration, Public Health or a related field. The minimum professional experience is two years in health care administration or a related area in health care management. Individuals with a Bachelor of Science degree in Nursing, or practice as a Registered Nurse with 3-5 years supervisory experience may also be considered.

Excellent benefits package (medical, dental, matching 403(b), short and long term disability, etc.) salary commensurate with experience.
