

MOUNTAIN COMPREHENSIVE HEALTH CORPORATION

Patient Community Education Specialist (PCES)

Mountain Comprehensive Health Corporation has an opening for a **PCES for the Behavioral Health Program** at the Whitesburg Medical Clinic. This is a full-time position (Monday thru Friday) with a very competitive salary and benefits package (medical, dental, matching 403(b), short and long term disability, NHSC loan repayment, etc.), continuing education support and professional liability protection under the Federal Tort Claims Act.

Minimum Required Skills:

- Bachelor's Degree in Human Services or related field.
- Minimum of six months experience working and interacting with patients in a human service environment or health related setting.
- Strong written and verbal communication-interpersonal skills with the ability to work independently as well as collaboratively with a broad range of community partners.
- Ability to operate standard office equipment including but not limited to computers, printers, copiers, scanners, calculators, facsimile machines and telephone systems.
- Ability to work well with diverse groups in the public sector and demonstrate cultural awareness and sensitivity.
